Dear Customer,

We are delighted to announce that element14, part of Avnet, are now an approved and authorised distribution partner to Keysight for all states of India, effective June 1st 2023.

This agreement extends the distribution partnership between Keysight and the Farnell / element14 group of companies across many countries in Asia, Europe and the Americas.

Please feel free to contact Keysight's local representatives or myself directly for any further information.

Yours Faithfully,

Art McFall
